MADISON LOCAL SCHOOLS CODE OF CONDUCT

The Madison Local Schools administration and coaching staff believe that a Code of Conduct is essential for all athletes. The Code of Conduct includes the Students' Rights & Responsibilities Discipline, Policies and Practice of the Ohio High School Athletic Association, and the expectations/standards set forth by the coach(es). Full compliance is expected of all policies, expectations and standards.

The policies of Madison Local Schools and the Ohio High School Athletic Association are established yearly. However, the expectations/standards of the coach(es) are enforced on a seasonal basis and may or may not be included in official Madison Schools or OHSAA policy documents. Nevertheless, the athlete is expected to fully comply with coach(es) expectations/standards with regard to but not limited to: practices, dress/appearance, language, proper conduct, care of equipment, respectful behavior, transportation, practice/contests, and locker room demeanor.

The Madison Local Schools and Department of Athletics strongly believes in the "NO USE" position for tobacco, alcohol, drugs and steroids. The athlete is clearly not to use, possess, or transmit any tobacco, alcohol, or illegal/illicit drug including any product that may enhance or inhibit performance and/or modify behavior.

The Code of Conduct is in effect and applicable on and off school property, during seasons of preparation/practice and participation, including athletic activity(es) prior to the official opening/closing of school and during school vacations.

I understand that violations(s) under the Code of Conduct may result in denial of participation including disciplinary action ranging from immediate and/or temporary removal to permanent exclusion from the team and/or Madison athletic program.

I have read and understand the following policies with regard to athletic participation while attending the Madison Local Schools; OHSAA and Madison Board of Education eligibility requirements, Madison Local Schools Athletic Code of Conduct.

MADISON HIGH SCHOOL ATHLETIC PARTICIPATION

STUDENT'S NAME: _____

ADDRESS: _____

Notice to parents:

Congratulations! Your son/daughter is a candidate for one of the Madison High School athletic teams. In order to insure the safety and health of all students, each student has three basic requirements before participation:

- a) Physical card
- b) Emergency Medical Authorization Form
- c) Insurance Coverage

Since Madison School District does not carry medical coverage on student/athletes, we must insist that all participants be covered by some type of insurance before participation in athletes.

Madison Local School District has low-cost medical insurance available to all students. If your student desires coverage, it is available through the office. If students do not have insurance coverage through the school, they must show proof of having family or personal insurance.

Parents are responsible for paying medical expenses in the event of an injury.

____I have family insurance coverage with _____ and do not wish to purchase school insurance.

Parent/Guardian

____I do not have insurance and wish to purchase school insurance. I understand that we are financially responsible for any injury resulting to our child while participating in athletics connected with Madison School District.

Parent/Guardian

OHSAA AND MADISON BOARD OF EDUCATION ELIGIBILITY

The Ohio High School Athletic Association eligibility standards for participation in athletics are as follows: In order to be eligible in grades 7-12, a student must be currently enrolled and must have been enrolled in school the immediately preceding grading period.

During the preceding grading period the student enrolled in grades 9-12 must have received passing grades in a minimum of five (5) one-credit courses or the equivalent which counts toward graduation. Recommended schedule: 3 block classes (6 units) plus one singleton equals a total of 7 units. Minimum schedule: 2 block classes (4 units) plus one singleton equals 5 units.

The Madison Board of Education eligibility standards for participation in interscholastic athletics and extra-curricular activities require that a student achieves a grade point average of 1.0 or more the preceding grading period. Students who achieve below 1.0 the preceding grading period will be ineligible for 3 weeks. Students between a 1.0 and 1.75 GPA must attend remediation sessions until the next grade check.

BOTH OHSAA AND MADISON BOARD OF EDUCATION REQUIREMENTS MUST BE MET.
