

Madison Local School District

1956 Red Bird Road - Madison, Ohio 44057 - Telephone 440.428.2166 - Fax 440.428.9379
Mrs. Angela M. Smith, Superintendent www.madisonschools.net

February 18, 2022

Dear Madison Community,

As I write this update, I find it hard to believe Spring Break is only a month away. We are approaching the last part of the school year and many year-end activities will be upon us. High School families, you will be receiving a letter regarding ACT day on March 3, 2022; there is a modified schedule and instructions for which students report to school on that day. If you do not receive a letter, please contact the high school.

Here is a quick overview:

- Freshmen do not report.
- Sophomores and Juniors report for testing.
- Seniors who have credit recovery on which to work are required to report. All other specifics will be in the letter from Mr. Brady.

We have put the draft calendars for the next two school years on the web page for review. Please go to the following link: [DRAFT School Calendars 2022-23 and 2023-24](#)

If you have any questions, please contact me at angela.smith@madisonschools.net. As I said previously, a lot goes into putting a calendar together. The Board will adopt the calendar officially at the April 5, 2022 Board meeting.

As we start to regain a sense of normalcy after this latest surge of COVID-19, we welcome volunteers back to our buildings. If you are volunteering or plan to volunteer in our schools, you are required to be fingerprinted as part of our district safety plan, and for the safety of all our students. If you have questions, please contact your child's building principal. Fingerprinting is done at the Madison Board of Education Office and is \$48 for both FBI and BCI checks.

In the coming weeks, we will again be sharing information about summer opportunities for our students. There will be a variety of educational opportunities available, both in our district and with the Educational Service Center of the Western Reserve and YMCA. If you feel your child would benefit from extended learning opportunities, please contact your student's principal, so they can keep you informed as plans develop.

While registration is now open for Pre-K students, Kindergarten Registration will not begin until next month. We will be sending more information home via a future community update and with our Pre-K students who will be transitioning to kindergarten. We look forward to meeting the Class of 2035 in the fall.

I hope you have a wonderful, long weekend and enjoy the nicer weather that is forecasted for Sunday and Monday. #MadisonStrong!

Sincerely,

Angela Smith
Superintendent
