## **ELEMENTARY SCHOOL HOURS of OPERATION**

**7:30 AM-Doors Open/Enter Building/Report to class**

**2:00 PM-Dismissal**

### **ATTENDANCE**

**Students arriving at school after 7:45am should report immediately to the office before going to their classroom and will be marked TARDY.**

**Consistent attendance is important for educational success. Ohio HB 410 defines “excessive absences” as 38 hours of missed school in one month and/or 65 or more hours absent in one school year. These totals accumulate WITH or WITHOUT a legitimate excuse. Parents of students reaching these totals will receive a notification letter from the school. If attendance does not improve a meeting with district administration will be scheduled and an absence intervention plan will be implemented.**

### **VACATIONS**

**Although absences due to family vacations are not encouraged during the school year, they will be considered excused. However, school missed because of vacations will count toward the hourly total of “excessive absence” definition outlined in Ohio HB 410. The school must be notified at least one week prior to a family vacation so that work can be made available for the student to make up. Parents are asked NOT to schedule vacations during state/district assessment time periods.**

### **EARLY DISMISSAL**

**If it is necessary for a child to be dismissed during the school day, a WRITTEN STATEMENT from the parent or legal guardian must be sent to the school office that morning. Parents must report to the office at the appointed time to sign out the child. Students may not leave school without permission from the office. NO STUDENTS WILL BE DISMISSED BETWEEN 1:30-2:00pm.**

### **SCHOOL CLOSINGS**

**School closing announcements will be made on the media and district webpage as well as through social media when it is necessary to close school due to bad weather or other emergency situations. School closings will also be communicated through the automated calling system to each family to report a school closing.**

## CHANGE of ADDRESS or PHONE

Whenever there is a change of student information, such as phone numbers, names, address or custody, etc., please contact the school office as soon as possible. It is very important that families update this information each year on Infinite Campus.

## SCHOOL VISITORS

To ensure the safety of the students and staff, all doors will be locked during the day. Visitors must enter the building through the main office doors and report immediately to the school office. **VISITORS ARE REQUIRED TO SIGN IN, SHOW IDENTIFICATION, AND MAY BE ASKED TO WEAR AN IDENTIFICATION BADGE.**

## TEXTBOOKS and LIBRARY BOOKS

All textbooks and library books are loaned to students during the school year. They should be kept clean and handled with care. Students will be required to pay for lost or damaged books. If a lost book is found, money paid will be refunded.

## MEDICATION

When possible, all medication should be given by the parent at home. If this is not possible, medication may be administered by the school nurse, principal, or designee only when the following procedure is followed:

*All medication, prescription, and over-the-counter, must be accompanied by the school medical form which has been completed by the parent and physician requesting that the medication be given. All medication must be received in the original container labeled with the student's name, name of medication, and the proper dosage. Medication is to be brought to the clinic/office by the parent, NOT the student.*

**NO CHILD SHOULD HAVE MEDICATION with HIM/HER AT ANY TIME, including non-prescription drugs such as aspirin, Tylenol, cough drops, and antacids.**

Students who carry medication with them (inhalers, epi-pen) may do so only with prior approval by a physician and parent. The proper paperwork must be filed with the school nurse.

## FEES and SUPPLIES

Each student is required to pay a school fee. The fees for the 2020-21 school year will be: \$31 for kindergarten and \$47 for grades 1-5. This covers the cost of workbooks, instructional technology and consumable materials. This fee is assessed in the fall. Checks should be made payable to Madison Local Schools. Parents may also make payments online through Infinite Campus. Students are required to furnish their own crayons, paper, pencils, erasers, folders, glue, etc. These supplies should be replaced as they are consumed during the school year.

## **ELECTRONICS**

Students may be permitted to use certain devices on the bus, during indoor recess, and at Aftercare. Cell phones, iPods, iPads, tablet computers, and similar devices must be kept in a child's book bag and powered down during the school day unless specific permission has been given by the classroom teacher to use these items: **NO EXCEPTIONS**. The taking of pictures, texting, or the use of any form of social media communication is prohibited at school in grades (K-5). The use of electronic devices will always be at the discretion of the classroom teacher and administration and must follow established district policy. **THE SCHOOL WILL NOT BE RESPONSIBLE FOR THE LOSS OR DAMAGE OF THESE ITEMS**. The school district reserves the right to withdraw access to on-line service to users who do not respect the rights of others or who do not follow the rules and regulations established by the school and the district.

## **TOYS**

Children should **NOT** bring toys to school. Stuffed animals, trading cards, model cars, blocks or similar items should be left at home. The recess aides have a collection of materials that are used during indoor recess. The classroom teacher will confiscate and hold all toys and other inappropriate items which interfere and distract from the instructional process.

## **FIELD TRIPS**

Field trips are planned by the teachers in accordance with school policies to supplement the regular school program. Permission slips for all children attending the trip must be signed by the parent or legal guardian. Usually a charge will be assessed to each child to cover the cost of the trip and transportation. Students **WILL NOT** be permitted on a field trip without a signed permission slip. Students must display appropriate behavior on each field trip or attendance to later trips may be denied. Field trip privileges may also be denied to students who continually misbehave in the classroom or recess during the school year.

## **GRADES**

Daily work, tests, and nine week grades are based on the percent scale below:

<b><u>PERCENTAGE SCALE</u></b>	<b><u>LETTER GRADE</u></b>
<b>90-100</b>	<b>A (excellent work)</b>
<b>80-89</b>	<b>B (above average)</b>
<b>70-79</b>	<b>C (average)</b>
<b>60-69</b>	<b>D (below average)</b>
<b>50-59</b>	<b>U (unsatisfactory)</b>

Parents wishing to check student progress can login to the parent portal on Infinite Campus. Students in grades K-1 do not always receive letter grades, but rather performance level indicators. Meanings of all the notations used are listed on the report card. Grades are posted four times yearly on Infinite Campus, but can be checked at any time through the parent portal.

## TESTING

All students will participate in all required state/district tests. The state determines the testing dates and parents will be given a copy of test results when they become available from the state.

Gifted testing is conducted with all students in grades 2 and 5. Dates of testing and scores will be communicated by the school.

Madison Local School District offers a continuum of services to students qualifying for special education services as outlined by the *Operating Standards for Ohio's Schools Serving Children with Disabilities*. Our schools use an *Intervention Assistance Team* to address learning problems and determine whether or not a child has a suspected disability. Both parents and teachers can initiate a referral to this team. The team develops interventions to resolve concerns prior to conducting a full, individual evaluation. Data from these interventions are used to determine eligibility for special education services, appropriate instructional practices, and access to the general curriculum.

## CHILD ABUSE REPORTING

Ohio law dictates that all individuals who may come in contact with students must report cases of suspected child abuse or neglect. It is required that a report be made immediately to the Lake County Department of Human Services or to the local police department.

If you are aware of any concerns regarding student safety, please contact the SAFE SCHOOL HELPLINE @ 1-800-418-6423 EXT: 359 or text 66746 "TIPS".

## SAFETY PLANS

**SAFETY PRACTICE:** Madison Local Schools has developed a safety plan for each building to protect our children in the event of a crisis. This plan is reviewed yearly. The children participate in monthly practices for safe egress and accountability in the event of a fire. The children also participate in tornado drills.

In addition, the building staff reviews the Perry Power Plant emergency procedures annually. If an evacuation were to be ordered, the following locations in Ashtabula schools have been designated as evacuation sites for our children.

**SOUTH ELEMENTARY:**

K-5 Erie Intermediate, 2300 Wade Avenue, Ashtabula, OH

**NORTH ELEMENTARY:**

K-5 Superior Intermediate, 2300 Wade Avenue, Ashtabula, OH

This information is also located in the Madison Local School District Calendar.

### **CONFERENCES**

Regular parent/teacher and parent/school communication is vital to the success of each student. Individual conferences for grades K-5 are held twice yearly. Parents are encouraged, however, to initiate conferences with teachers, the principal, or specialists whenever they have questions or concerns.

## DISCIPLINE

A student's behavior should conform to acceptable standards of student conduct. The staff requests parental support in helping to maintain appropriate conduct in the school. A student's behavior should reflect self-respect and consideration for the rights, feelings, and property of others. All violations of school rules will be investigated and handled in accordance with district policy.

## CONSEQUENCES

For all practical purposes, most problems related to discipline are handled by the classroom teacher in one or more of the following ways:

1. Verbal warning
2. Clipping up or down on behavior chart
3. Student/teacher conferences
4. Loss of a recess or other privilege
5. Assignment of additional tasks
6. Teacher/parent conferences

Serious and/or continuous behavior problems will be referred to the building principal and parents will be contacted. The consequence may vary based on the severity of each infraction or the repeated violations of misconduct. The **STUDENT CODE of CONDUCT** applies wherever the school has authority to regulate student conduct, which includes school property, school transportation, and school activities wherever and whenever held. District policy will be followed at all times. You can find the Code of Conduct here:
