

Virtual Learning School News

At the Madison Board of Education meeting on Tuesday, September 1st, 2021, the Board of Education approved the addition of courses through Edmentum (an online program). These offerings will allow students to pick up additional courses to meet their CORE requirements as well as scheduling electives. Madison High School Assistant Principal, Mr. Douglas Baker (douglas.baker@madisonschools.net), will be the point person to contact in adding these courses. There is a list of offerings available for students to add to their schedule on the following platforms:

Infinite Campus; Madison Schools Website; Madison HS Facebook

Thank you for your patience in allowing Madison Schools to work through this dilemma and to continue to allow parents that have made the choice of having their student in the Virtual Learning School. Classes available:
